3-Year Warranty

Medel OXYGEN PO01 pulse oximeter measures Oxygen Saturation (SpO₂) and Heart rate (pulse). Small and light, for use at home and on the move. It comes with an easy-to-read display with 4 different views available.

Medel OXYGEN PO01 is suitable for persons with: heart failure, chronic obstructive pulmonary diseases, bronchial asthma.

Class IIa Medical Device.

Technology	Non-invasive measurement of the arterial oxygen saturation (SpO ₂) and the heart rate (pulse rate) on finger
Accuracy	SpO ₂ 70 – 100%, +/- 2%, Pulse 30-250 bpm, +/- 2 heart beats /min.
Measurement range	SpO ₂ 0 – 100%, pulse 0 – 254 heart beats /min.
Power supply	2 alkaline batteries AAA 1,5V
Oxygen Saturation indicator	✓
Heart rhythm indicator (Heart beats/min.)	✓
Pleth wave	✓
Battery indicator	✓
Heart beats indicator	✓
Size	L 61 x P 36 x H 32 mm

USEFUL FOR ATHLETES AND AT HIGH ALTITUDE
